

## Builder Activity Badge

Explore your imagination by designing a concept model and bring it to life.

*How to earn your badge:*

1. Design a model of something you would like to build.

**The design can be on paper or a computer. Upload it so we can see your design!**

2. Make a list of all the things you are going to need to build your idea.

**Think about what you will need to build your model. What materials?**

**Lego, building blocks, junk modelling? Upload it so we can see what you will need for building your creation!**

3. Build your idea using the things you need. Your model could be made using building blocks, gears or recycled items such as toilet roll tubes or cardboard boxes.

**Take and upload a photo of yourself whilst you are building it!**

4. Explain to your Lodge Leader, Explorer Scout Young Leader or Beaver Leader how long your build took to finish, if anything went wrong and what you would change if you built it again.

**You could make a video, take a photo or write a little bit about the model you made so your leaders can hear about what you have been up to!**
