

## Gardener Activity Badge

With a splash of water and a ray of sunshine, you can grow flowers, plants and trees. Bring the forest home.

*How to earn your badge:*

1. Find out what happens to trees in each of the four seasons.

**Paint or draw a tree in each of the 4 seasons. You could do this on the computer if you like! Upload it so we can see your creations.**

2. Learn what tools you need to garden and how to use some of the tools safely.

**Learn about the different tools with the sheet below! Upload it so we can see what all the tools are!**

3. Find out what plants need to grow.

**You could plant some seeds and research what they need in order to grow! Upload a photo so we can see your growing seeds.**

4. Help to look after a garden or allotment for two months.

**Alternatively grow at least three different plants in pots and look after them for two months.**

5. Keep a record of what you have done and the changes you see.

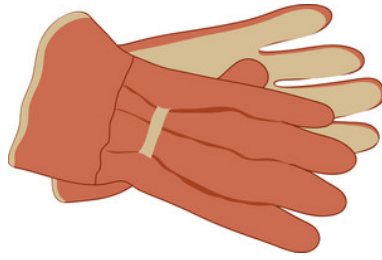

**Use the Gardener log below to draw what you see each week and write about what you have done to look after the plants. Upload it so we can see what you've been up to!**
